

COVID-19 Proof of Vaccination or Exemption for Kamp Kiwanis

As of September 23, 2021, Kamp Kiwanis is requiring all staff and volunteers and visitors ages 12 & older to show proof of vaccination, recent negative COVID-19 test, or valid medical exemption letter to gain entry to Kamp Kiwanis.

Upon review of provincial and local health policies and bylaws, Kamp Kiwanis has decided to implement this policy to help ensure the safety of everyone on site.

Until October 25, 2021, proof of a single dose is accepted if you received the dose more than two weeks before entering the facility.

Acceptable proof of vaccination needs to display the name, type of vaccine and the date it was received. This can be a paper COVID-19 vaccination record or shown on an electronic device from:

- Alberta Health Services
- A First Nation
- Your pharmacy
- Your physician
- Another province or territory
- Canadian armed forces

You can [print your own card online](#) or get one printed for free at any [Registry Agent](#).

You can show a COVID-19 negative test result. Tests must be:

- Provided as an original or printed copy (photos are not sufficient)
- Privately-paid
- A Health Canada approved rapid antigen, rapid PCR or lab-based PCR test
- Completed within the past 72 hours

Test results must show the type of test, time of sample collection, clear indication of a negative result, and laboratory that completed the test. Tests must not be from Alberta Health Services or Alberta Precision Laboratories.

Medical exemption from vaccine letter: You must show an original signed letter from a physician or nurse practitioner that includes:

- Your name that matches your identification (only required for adults 18 and over)
- Physician's or nurse practitioner's complete information, including their name, phone number, contact information, professional registration number and signature
- A statement that there is a medical reason for not being fully vaccinated against COVID-19
- The duration that the exemption is valid
