Net Revenue from the Silent Auction supports Kamp Kiwanis, a summer camp for underprivileged children. Any and all new items and gift certificates are gratefully accepted. For more information please contact: info@kiwanisapplefestival.org

Kiwanis members of Calgary and Area sold baskets of apples as a major fundraiser in the 1950s - 1970s. While apple selling is no longer a means of raising funds, Kiwanis continues to raise hundreds of thousands of dollars to support local underprivileged children. The Apple Festival is an annual autumn event which invites the community to enjoy a family focused event.

Kamp Kiwanis is a very special place for children. Every year over 350 children and youth attend a fun filled multi-day overnight camping experience in a positive, and active outdoor environment. This experience has been made possible by Kiwanis Clubs every summer since 1951, providing a full 100% subsidy for every 9-12 year old child who attends. Kamp Kiwanis is the location of the Kiwanis Apple Festival. Net revenue from Kiwanis Apple Festival will go towards supporting the numerous programs at Kamp Kiwanis.
