KIWANIS APPLE FESTIVAL PROGRAMS PACKING LIST

Materials and equipment for all activities are provided by Kamp Kiwanis.

LUNCH:

Families are asked to bring their own lunch and any morning/afternoon snacks they might require (hot water, refrigeration and a microwave are not available). We may have some food trucks on site to provide food service but it is best to be prepared in case they are not available.

*We try to keep our site as peanut and nut free as possible so we ask that packed lunches and snacks are PEANUT/NUT-FREE

CLOTHING:

- Hats
- Sweaters
- Rain jackets
- Closed toed shoes (canoeing and forest hikes)
- Extra socks

Many of our activities take place outside so please dress for the weather and bring extra layers when weather permits. Kamp Kiwanis closely follows Bragg Creek Weather patterns so make sure you check the weather for Bragg Creek when packing for the day!
